

RAA CHESS WEEK

July 20 – 27, 2026 · RAA.SPACE, Matīsa iela 8, Rīga

Presented to **BALTA**

About the Event

RAA Chess Week is a seven-day festival of chess, culture and community at RAA.SPACE in Rīga's creative Veldze quarter. Bringing together a simultaneous exhibition, a chess opera with international performers, chess theatre, a children's workshop, a poetry evening, daily chess café sessions and a closing Hand & Brain team tournament, the festival makes chess a living art form — accessible to players, artists, families and the curious of all ages. RAA Chess Week will be a singular moment on Latvia's cultural calendar.
