

Robert Rehnig's works often explore simplified, perceptible processes that take the form of abstract soundscapes. The exhibition features installations that focus in particular on the perception of space and, in a broader sense, on silence. The common theme is always the transition from hearing to listening.

# Collapsing Flat Waves

Robert Rehnig  
24 Sept – 14 Okt

Open: Wed–Sun (13h–20h)  
On 24. Sept a soft Opening  
RAA.SPACE, Matīsa iela 8
